REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The application is allowable in view of Applicant's arguments since the prior art fails to disclose a data processor for processing a data stream in which a plurality of blocks into which a screen is divided are arranged in a predetermined order, the data processor detects a continuousness of the plurality of blocks based on position information of the blocks on the screen, and a correcting means for correcting the continuousness of a discontinuous plurality of blocks by using position information of a previous block based on a result of the detection by the detecting means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
